

# BIBLE (2<sup>ND</sup> – 6<sup>TH</sup>) & STARTER PACKET (JR. K. – 1<sup>ST</sup>) 2026-2027 SCHOOL YEAR

An additional needed item at the beginning of every school year is the purchasing of school supplies and a Bible. The student Starter Packets for Jr. Kindergarten through 1<sup>st</sup> Grade are purchased and assembled by the teacher for every student in their class. Second through sixth grade students are required to have the below listed Bible.

You will probably be asked by your child’s teacher to provide other “non-provided” items at the beginning of the year, as well as supply “replenishments” throughout the school year.

**\*\*\*Second through Sixth Grade students purchase their own school supplies from the list provided on our web site and the teacher letter received in summer.**

## Bible Purchase

**\*\*\*Note: Make payment in the School Office or pay on-line. Bible will be delivered to your student’s class during the 1<sup>st</sup> week of school.\*\*\***
