

WELCOME!

On behalf of the faculty and staff at Harvest Christian School, it is our pleasure to take this opportunity to greet and introduce you to our school. Established in 1982, Harvest Christian School has sought to develop a program that promotes both academic achievement and spiritual growth. Carefully selected curriculum systematically taught by qualified Christian teachers, with an ample supply of quality support personnel and programs, makes H.C.S. an excellent option for Christian education. We encourage you to carefully read through the various information sheets enclosed in this packet. These sheets provide specific information about our school and the procedure for registration.

In addition to the information provided in this packet, we also encourage you to consider signing up for a "Parent Tour" of our school. Tours are arranged through the School Office and are scheduled regularly throughout the year. These tours are designed to give you an opportunity to see our program "up-close" and to establish personal contact with our Administrative Team. We are here to co-labor with you in the process of educating your children. Therefore, it is important for you to be familiar with our school and staff!

Lastly, as a ministry of Harvest Christian Fellowship with Pastor Greg Laurie, we consider it our primary calling to lead our students and families into a close relationship with Jesus Christ. Our school mission statement lays out some of the main goals we have at HCS:

***Knowing God and making Him known, as we educate our students for the future,
and preparing them for eternity with Christ.***

We hope you will choose to join our family! God bless you!
